VERY URGENT.

GOVERNMENT OF BOMBAY,
Political and Services Department,
Circular No. P/B,
Bombay Castle, 7th August 1950.

CIRCULAR.

It has been brought to the notice of this Department that Government Departments who have occasions to issue advertisements to newspapers are not prompt in making payment of the charges on account of the advertisements to the newspapers or to their accredited agents concerned. Government considers that delay in payment of such charges not only causes inconvenience to the parties concerned but also subjects Government to critism which can be avoided by prompt payment. Heads of Departments and Offices concerned are therefore requested to take due care to pay such bills as soon as they are received. They are particularly requested ro dispose of immediately all bills for advertisements which are pending with them at present.

By order of the Governor of Bombay,
